

Kingdom Preparatory Academy

Parent & Student Handbook - Preview Edition

Welcome

Welcome to Kingdom Preparatory Academy. Our mission is to educate the whole child academically, spiritually, emotionally, and physically while cultivating a lifelong love of learning.

Mission

Through Christ-centered education and individualized instruction, we equip each student to discover God-given gifts, develop strong character, and pursue excellence in all areas of life.

Educational Approach

Our program blends Montessori-inspired principles with an eclectic, individualized curriculum. Learning plans reflect each student's academic level, interests, strengths, goals, and developmental needs.

Family Partnership

Families are encouraged to communicate regularly, participate in goal-setting, celebrate progress, and support consistent learning routines.

Attendance & Records

Attendance, completed work, assessments, portfolios, progress reports, and other required records should be maintained consistently and securely.

Student Conduct

Students are expected to demonstrate respect, honesty, responsibility, kindness, perseverance, and care for the learning environment.

Technology & Privacy

Student information, photographs, and academic records should only be shared through approved channels and with appropriate parent or guardian permission.

Health & Safety

Emergency contact information, relevant health information, medication instructions, and field-trip permissions should be kept current.

Faith • Wisdom • Excellence

Proverbs 22:6
